

FIXER / ADVANCER / PRODUCTION PARTNER

VANUATU

Fixer & Production Support

Trusted local support for media, production companies, journalists, photographers and storytellers working across Vanuatu.

WHAT WE MAKE POSSIBLE

NAOIA helps crews work smoothly, respectfully and efficiently in Vanuatu by combining strong local networks, practical field coordination and a deep understanding of the cultural, environmental and logistical realities of the islands.

- ✓ From early preparation through to field delivery and post-production support.

WHAT WE DO

01 Research & pre-production
Early preparation, brief shaping and practical local advice.

02 Location scouting
Suitable locations, routes, access points and field realities.

03 Crew advance & logistics
Permits, transport, accommodation and field movements.

04 Local liaison
Stakeholders, service partners, tourism operators and authorities.

05 Interviews & introductions
Community introductions, local talents, cultural guidance and context for storytelling.

06 Ground support
Local resources, troubleshooting, local chief operator and material rental.

07 Translation & field support
On-the-ground help when plans, language or conditions shift.

08 Post-Production
Translations and additional footage supply.

Well prepared. Locally grounded. Mutually respectful.

WHY WORK WITH NAOIA

OUR VALUES ON THE GROUND

Deep local networks

Trusted relationships across Vanuatu and the ability to connect the right people in the right way.

Cultural sensitivity

Support that helps crews access authentic stories while approaching people and places with care.

Remote logistics

Practical coordination capacity for island settings, field conditions and changing schedules.

Ethical storytelling

A grounded approach that protects the story, the crew and the communities involved.
